

2012 Pricing Information

The e-Duke Journals Scholarly Collections provide online access to Duke University Press journals in the humanities and social sciences. Because the number of titles is expected to grow from year to year, we have developed **Standard** and **Expanded** collection options for libraries. For 2012 the Standard collection includes 35 titles, and Expanded includes 40.

The collections are hosted by HighWire Press at dukejournals.org.

Titles included

While ten years of back content is included for most journals, the titles marked with asterisks have been fully retrodigitized.
